# Charlie's

restaurant and bar

“Welcome to Charlie's Restaurant and Bar at Croft Country Park. The Pendleton's relocated from North Wales in 1999 having sold the family farm which Charlie and Peggy Pendleton bought in the 1940's and purchase Croft. This was the first venture into the holiday park sector for Vic, Ann and myself, although I had a background in hospitality and hotels having worked with Trust House Forte.

Croft was the first park in the Celtic Holiday Parks group, and 2019 marks the 20th anniversary of the Pendleton's ownership. It was felt a fitting tribute to Charlie to name the restaurant at Croft in his memory. We are incredibly proud of the food which is created at Charlie's, the service we offer and our dedicated team. Celtic Holiday Parks group now has other great locations too, Noble Court and Celtic Escapes in Narberth and Meadow House in Amroth. We really hope that you enjoy your experience, and thank you for your custom.”
